

RIM OF THE PACIFIC / TRIDENT WARRIOR 2022

Sponsors: Naval Information Warfare (NAVWAR), Commander Third Fleet (C3F) and U.S Indo-Pacific Command

Focus: Trident Warrior is the experimentation sector of Rim of the Pacific (RIMPAC), a large scale international maritime exercise. FY 22 focus areas are Counterintelligence Surveillance and Reconnaissance and Targeting (C-ISRT), and Command C5ISR (Command, Control, Computers, Communications, Cyber, Intelligence, Surveillance and Reconnaissance)/Naval Operational Architecture (NOA). Objectives include Detect, Track, and determining conflicts with UAV and Manned Aircraft.

Location: Pacific Ocean, Hawaii/Southern CA

Type of Event: Embedded Fleet Exercise (FLEX)

Entry Criteria: DoD Sponsorship, FIMS, cyber and install compliance, alignment to operational requirements and tasking. Consider application deadline.

Challenges: Length between entry deadline and execution, each initiative funds own costs. RIMPAC 22 is currently scheduled to be in-person.
