

Repair Technology Exercise (REPTX)

Sponsors: NAVSEA, NUWC Keyport

Focus: A unique event designed for government, academia, and industry participants. Initiatives are invited to demonstrate and assess the feasibility and efficacy of their products and services that expand the Navy's ability to perform expeditionary maintenance operations.

Type of Event: Exercise

Location: Naval Base Ventura County at Port Hueneme, CA

Entry Criteria: Technology must fit within pre-selected focus areas.

Challenges: Interest in targeting more SBIR participation.
